IMPORTANT:
CSOP Nikkei 225 Index ETF

- The CSOP Nikkei 225 Index ETF (the "Sub-Fund") is a sub-fund of the CSOP ETF Series*(*This includes synthetic ETFs) (the "Trust"), which is an umbrella unit trust established under Hong Kong law. The Sub-Fund is a passively managed index tracking exchange traded fund authorised under Chapter 8.6 of the Code on Unit Trusts and Mutual Funds (the "Code"). The units of the Sub-Fund (the "Units") are traded on The Stock Exchange of Hong Kong Limited (the "SEHK") like stocks.
- Concentration risk – The Sub-Fund's investments are concentrated in Japan. The value of the Sub-Fund may be more volatile than that of a fund having a more diverse portfolio of investments and may be more susceptible to adverse event affecting the Japanese market.
- Risks associated with Japan and the equity market in Japan – The Japanese economy is heavily dependent on international trade and may be adversely affected by protectionist measures, competition from emerging economies, political tensions with its trading partners and their economic conditions, natural disasters and commodity prices.
- Risks associated with small / mid-capitalisation companies – The Sub-Fund may invest in small and mid-sized companies. The stock of small and mid-capitalisation companies may have lower liquidity and their prices are more volatile to adverse economic developments than those of larger capitalisation companies in general.
- Trading differences risks – As the Tokyo Stock Exchange may be open when Units in the Sub-Fund are not priced, the value of the securities in the Sub-Fund's portfolio may change on days when investors will not be able to purchase or sell the Units. Differences in trading hours between the Tokyo Stock Exchange and the SEHK may also increase the level of premium or discount of the Unit price to its NAV.

Please note that the above listed investment risks are not exhaustive, and investors should read the Prospectus and the Product Key Facts in detail before making any investment decision. Investment involves risks, investment value may rise or fall. Past performance information presented is not indicative of future performance. Investors should not rely on this material alone to make investment decisions.

Investment Objective

The investment objective of the CSOP Nikkei 225 Index ETF is to provide investment results that, before deduction of fees and expenses, closely correspond to the performance of the Nikkei Stock Average Index (net total return version) (the "Underlying Index"). There is no assurance that the Sub-Fund will achieve its investment objective.
